*THE KINGSTON UPON THAMES (PRESCRIBED ROUTES) (AMENDMENT NO. 21)

STATEMENT OF REASONS

To improve the health and safety of school pupils and to reduce traffic and parking problems that occur during school drop-off / pick-up hours.

These measures will be subject to an Experimental Traffic Management Order (ETMO). An ETMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable. The ETMOs will be enforceable for a period up to 18 months to allow the assessment of any impact the school streets might have on the area and surrounding roads, and to revise the scheme if necessary within that time. A review will be carried out to assess the initial success of the scheme and whether the measures should be made permanent after 6 months.
