**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

*Continued from previous page...*

List here steps you will take to promote all four licensing objectives together.

**Training and Awareness:** Ensure all staff members are trained in responsible alcohol service, emphasizing the importance of promoting public safety and preventing crime.

**Safe Environment:** Implement measures to maintain a safe and secure environment within the premises, such as CCTV monitoring and effective crowd management.

**Community Engagement:** Engage with the local community to address any concerns and collaborate on initiatives to promote responsible drinking and minimize disturbances.

**Regular Reviews:** Conduct regular reviews of our operations and policies to ensure they align with licensing objectives, making adjustments as necessary to enhance compliance and effectiveness. These steps will be integral in fostering an environment that supports all four licensing objectives simultaneously.

#### b) The prevention of crime and disorder

we will take to promote all four licensing objectives together, focusing specifically on the prevention of crime and disorder:

**Staff Training:** Ensure all staff receive comprehensive training in recognizing and managing situations that could lead to crime or disorder. This includes conflict resolution techniques and understanding legal responsibilities.

**Security Measures:** Implement effective security measures such as CCTV surveillance, door supervision where necessary, and procedures for handling incidents promptly and responsibly.

**Collaboration with Authorities:** Maintain a proactive relationship with local law enforcement and licensing authorities to share information and coordinate efforts in preventing and addressing crime and disorder.

**Promotion of Responsible Drinking:** Encourage responsible alcohol consumption through signage, promotions, and staff interactions, emphasizing the importance of moderation and awareness.

These steps will be crucial in fulfilling our commitment to preventing crime and disorder while promoting the other licensing objectives in tandem.

#### c) Public safety

**Risk Assessment:** Conduct thorough risk assessments of our premises and operations regularly to identify and mitigate potential hazards to public safety.

**Physical Environment:** Maintain a safe and secure physical environment by ensuring adequate lighting, clear emergency exits, and appropriate crowd management strategies.

**Staff Training:** Provide comprehensive training for all staff members on emergency procedures, first aid, and dealing with situations that may compromise public safety.

**Community Engagement:** Engage with the local community to address concerns related to public safety, collaborate on safety initiatives, and maintain open communication channels.

#### d) The prevention of public nuisance

**Noise Management:** Implement measures to control noise levels both inside and outside the premises, such as soundproofing, limiting outdoor activities, and using acoustic panels.

**Waste Management:** Ensure proper waste disposal practices to minimize any disturbance or nuisance caused by refuse and ensure cleanliness in surrounding areas.

**Community Engagement:** Engage with local residents and businesses to address concerns regarding potential nuisances,

*Continued from previous page...*

and proactively seek feedback to mitigate any negative impacts.

Compliance Monitoring: Regularly monitor compliance with noise and other relevant regulations, and take prompt action to address any issues that may arise.

By taking these steps, we aim to prevent public nuisance effectively while promoting the other licensing objectives in a balanced manner.

e) The protection of children from harm

Age Verification: Implement strict procedures for age verification to prevent underage individuals from purchasing or consuming alcohol on the premises.

Safe Environment: Maintain a safe and secure environment within the premises, ensuring it is welcoming and appropriate for families and children.

Staff Training: Provide comprehensive training to all staff members on safeguarding children, recognizing signs of vulnerability, and appropriate responses to ensure their protection.

Policy Implementation: Develop and enforce policies that explicitly prohibit activities or behaviors that may harm children, such as ensuring supervision and appropriate conduct at all times.

By prioritizing these steps, we aim to create a safe and supportive environment that protects children from harm while fulfilling all licensing objectives effectively.

### **NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Documents which demonstrate entitlement to work in the UK**

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
