LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We understand our duty to the local community as we extend our operating hours. Our top priority is the safety and well-being of our staff and customers. We believe that our current procedures are thorough and, as much as possible, align with the four licensing objectives.

It's worth noting that we don't serve alcoholic beverages, and our drinks and food are not served in glass containers.

We are eager to work closely with the relevant authorities to support the four licensing objectives. Furthermore, we are committed to building positive relationships with the local communities we serve.

b) The prevention of crime and disorder

Our establishment uses CCTV surveillance systems placed strategically to cover key areas of our premises. This monitoring helps prevent and detect incidents, ensuring the safety and security of our customers and staff. CCTV is placed to capture patrons head and shoulders as they enter the building, and throughout.

A minimum of one SIA accredited security staff will be on site from 10pm to 2am on Thursday, Friday and Saturday. They will always be located in the dining room near the main entrance.

c) Public safety

All staff members are required to complete a late-night security module upon commencing their employment. This course outlines essential guidelines, including specific instructions for late-night shifts, emphasizing what not to do to maintain a secure environment.

d) The prevention of public nuisance

Our push-pull restaurant doors self-close, and we try to encourage our customers to be considerate to our neighbor's and to limit noise both when ordering their food and on leaving the local area.

Continued from previous page...

Notices shall be prominently displayed at each exit from the premises asking customers to be considerate to neighbor's when leaving.

Patrols of the area outside the premises shall be undertaken every 1 hour during the use of the license and any litter attributable to the premises cleared.

e) The protection of children from harm

While we prioritize the safety of unaccompanied children, we'd like to note that we do not typically anticipate unaccompanied children visiting during our late-night trading hours. However, should such a situation arise, we are fully dedicated to taking all necessary steps to ensure their well-being and protection
