

Vaccine Passport Scam Alert

Scam emails have been sent impersonating the NHS, regarding applying for a Covid vaccine passport. One had the email subject “**We are happy to introduce Digital Coronavirus Passports**” the contents is as follows;

Dear Sir/Madam,

Starting today you can apply for a Digital Passport.

The Coronavirus Digital Passport is documentation proving that you have been vaccinated against COVID-19 or you recently recovered from COVID-19.

The passport will allow you to travel safely and freely around the world without having to self-isolate.

Who is eligible?

UK citizens and their families, and legal residents.

How do I get the certificate?

You can get your Digital Passport via NHS portal by clicking the button below:

[Get Digital Passport](#)

How does it work?

Each issuing body has been allocated a digital signature, which is embedded in the QR code;

border staff will scan the QR code to see the data, although no personal data will be seen – nor will personal data of the holder go through the gateway which nations are using to verify signatures.

Clicking on the “Get Digital Passport” link takes you to a convincing but fake NHS website that asks for personal and payment details. (For a “process fee”)

Security Check

Please confirm your email, mobile number and mother's maiden name it helps us to verify the personal record officially.
